RMIT Career Advisers' Update

November issue

Inside this issue

RMIT Extension Studies

Applications are open now until 15 January 2021.

RMIT Extension Studies allows students to get a head-start at university by completing two undergraduate subjects during the final year of their VCE.

The program will count towards the student's ATAR with up to a five-point boost and as a fifth or sixth subject towards the completion of their VCE. Subjects completed through RMIT Extension Studies also do not incur any fees.

Students who complete the program may get credit towards their future RMIT degree, allowing them to fast track their studies and graduate sooner.

Many of our RMIT Extension courses are offered both on campus and online. If the student lives regionally - or can't make it to campus - they can tailor their RMIT Extension studies course to suit their timetable.

The RMIT Extension program is accredited by the Victorian Curriculum and Assessments Authority as part of their Higher Education Studies program.

For more information, and to apply for RMIT Extension studies, click here.

Career Advisers' Briefing

Friday 11 December, 9:00-10:30am

The RMIT Student Recruitment team is pleased to present our online Career Advisers' Briefing to help you prepare for Change of Preference.

We'll go through information about our Change of Preference services, new courses and changes for the 2021 intake. Academic speakers will present on new programs and how RMIT is at the forefront of future-focused education.

This is your chance to ask questions and find out all the latest information about RMIT – we'll see you there!

Click here to register now!

CASPer test dates

Applicants for the Bachelor of Education and the Bachelor Health, Physical Education and Sport (Secondary) at RMIT must sit the CASPer test in addition to meeting the academic entry requirements. To be considered for the VTAC January round (domestic) and all January round (international) offers, students have two more opportunities to complete the test:

- 15 November 2020 1pm AEDT
- 8 December 2020 8pm AEDT

For more information, click here.

Bachelor of Environment and Society

The right climate to make a difference.

Are your students looking to make the world a better place? Set their sights on the only course in Victoria that emphasises the connection between environment and society.

The RMIT [Bachelor of Environment & Society](#) is a step toward a career that addresses the most pressing issues of our time, including biodiversity protection, food and water security, corporate responsibility, resource depletion, and climate change.

Final year student Naomi Kelsey recently won the Environmental Thinker and Achiever Award for this program and says the most exciting part is learning about real world problems to make a tangible difference.

Click on the program link above, and [read the full article at the link.](#)

RMIT Urban School

Study VCE Units 3 and 4 at RMIT

The RMIT Urban School offers a personalised pathway from school to tertiary study. Students can try out a range of units and different subjects, and take their time to figure out what they really want to do.

With RMIT Urban School, students have the opportunity to blend VCE subjects, Vocational Education (VE) subjects, Higher Education (HE) subjects and micro-credentials in one bespoke program.

For 2021, the Urban School will be offering VCE Units 3 and 4 only, and this will be reviewed again for 2022.

For more information about the RMIT Urban School, [please click here](#).

Future Leaders Scholarship

The [Future Leaders Scholarship](#) is now also available to *onshore* international students who are a citizen of India, Sri Lanka, Bangladesh, Bhutan, Nepal or Pakistan. Previously only for offshore applicants, this scholarship provides 20% tuition fee reduction.

Please email isscholarships@rmit.edu.au for any questions.

Urban Futures 2020 Photo Competition

Entries close at 11:59pm Friday 13 November

Open to Year 10, 11 and 12 Victorian secondary school students over the age of 16, RMIT Centre of Urban Design want to see how they appreciate space by photographing 'A place I am grateful for'.
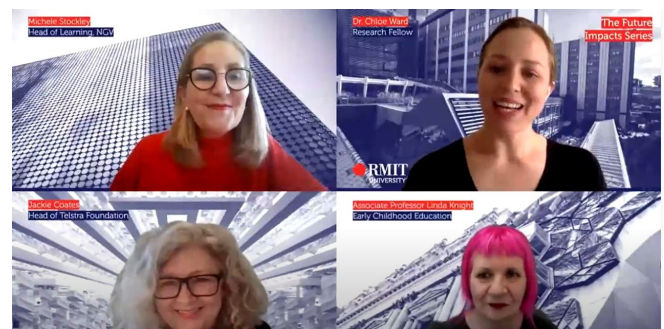

Students will go into the draw to win a $300 prize and one week work experience with a planner at Villawood Properties.

To submit, students will load their entry onto Instagram using #MyUrbanFuturesPlace with a caption (100 words max) explaining why they are grateful for this place.
